

Independent Party of Connecticut State Central Committee

August 23, 2024

Dear Devin,

Thank you for your application to the Connecticut Independent Party for endorsement in the 2024 election cycle. We had a lot of good ideas and thoughtful responses to our questionnaire, which will help form policy recommendations from us in the upcoming session.

We based our decision on a review of questionnaire answers, previous endorsements and past support of the Independent Party.

Congratulations, you were selected for endorsement. Attached is our endorsement letter that you must sign and return to the Secretary of State's Office by September 4th.

Make sure you put your full name, address and office in the letter. I also recommend hand delivering it to the Secretary of State's Office.

We hope we can keep up the dialogue of how to improve the State of Connecticut.

Best regards,

Chip Beckett

Chairman, Connecticut independent Party
